

# Transaction Processing Agreement (TPA)

In order to automate the management of your employees' expenses, your Organisation has decided to improve internal processes by establishing a transfer of information between the parties described below.

## How to proceed

You, as an authorized signatory of the Organisation, need to approve a right for your contracted Issuer and connected Enrichers to transfer:

1. transaction Information (such as date, time, amount and merchant); and
2. enriched Information (such as receipt and vat information),

about your Organisation's employees to the Partner and the Sub-contractor.

*In order to be fully compliant with applicable privacy laws, a separate consent will be requested from each of your Organisation's employees in favour of the Issuer, Partner, Subcontractor and the Enrichers.*
